Dear Parents,

Welcome to the final newsletter of our first half term as Executive headteachers. We wanted to start by saying thank you to everyone who has made us so welcome within the Federation. We both feel really lucky to have joined such a hard-working staff team, to have met so many lovely parents and spent time getting to know four schools, full, of amazing children. It has been a privilege.

Be the Light

This week there have been three Harvest Festivals and they have all been incredibly well supported. Harvest festivals are always such a celebration and hearing all the songs has been a particular highlight. Seeing all the work that has gone into these events has been incredible. A huge well done to all of the children and the staff who have made each one so different and so special. Thank you also, for all of your contributions and for attending the events.

Parents' evenings

Many of you have had a chance to meet class teachers this week in our first parents' evening of the year. Base leaders have shared how positive these meetings have been. Thank you for your ongoing support. Remember that you can always talk to class teachers, base leaders or the heads at any point if you have any concerns or any positives you wish to share.

Carol Service

Thank you to everyone that has used the link below to book. Our admin team will send out the tickets before the event. The Christmas Carol service will be held **in Linton at 6pm on Thursday 8th December**. If you have not yet done so, please use the link to book tickets before we offer any spares out on a first come first serve basis.

It is important to let us know if you will be attending to allow us to allocate additional tickets and also so we order enough mince pies! This will be a family service and children will sit with their families but may be called up to do readings or take part in the service.

Children in Need- bakers at the ready!

Not long now...Friday 18th November is Children in Need and we will be fundraising with a SPOTacular bun sale at each school. **Please can you make or buy (either is fine) cakes, buns or biscuits** and send them into your school on the morning of the 18th along with a **contribution in a named envelope to buy a bun or a biscuit with.**

Children are also invited to wear their own clothes as a **'dress down day'** and asked to **contribute a £1** for this great cause. The theme is spots but any 'dress down' option is fine. Please be aware that KS2 children will be taking part in PE as part of Federation Friday so please go for a sporty option when choosing outfits.

Learning Heroes

This weeks Learning Power: COLLABORATION

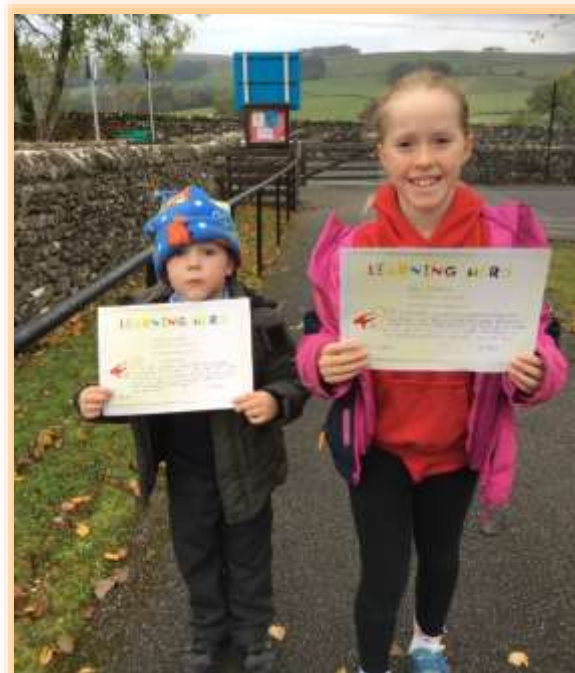

Class 1: Will

This week you have worked really well with your classmates, sharing ideas in your play time. I was impressed by your collaboration building a tower as tall as you! You helped everyone and have helpful tips to build successfully. A team player!

Class 2: Daisy

You are such a great team player and your friends say 'Daisy is a great team player because she worked with us on our Biome poster' and 'she is so easy and helpful to work with'. Well done Daisy!
