

UWPF Pre-School

It has been a very busy September welcoming new and old children back to pre-school.

They are settling well and getting use to new routines and making friends.

Play is at the heart of pre-school and we are starting to observe some wonderful learning.

We will capture 'wow' moments and add them to 'Tapestry'. All parents have been sent their activation email. Please can you confirm you have received it either at drop off or pick up. Please check your junk folder.

There will not be a set number of observations added per week. We want to spend as much time interacting with your child and supporting their learning, rather than being stood watching behind an iPad. We love to see what the children experience at home, please add special moments onto their profile.

I will be talking to children about Harvest and why we collect items for Skipton Food Bank. This is a wonderful starting point for explaining the meaning of charity and the importance of helping others.

If you can spare items for our harvest collection, we would be very grateful. Currently Skipton Food Bank are in urgent need of:

- coffee (small jars)
- tins of soup
- custard tins or packets
- jams/spreads
- tinned veg
- tinned meat
- tinned fish
- tinned potatoes
- tinned spaghetti
- toothbrushes
- shower gel
- shampoo

If you have any questions or concerns about your child and how they are settling, please do not hesitate to contact me.

Have a wonderful weekend and if you spy any conkers, please collect some for us. We hope to create some interesting conker art with them over the coming weeks.

Mrs Middleton

Dates for the diary

- Tuesday 18th October - Harvest 'sing a long' @ 2.30pm
- Friday 21st October -Pre-school closes
