Dear Parents,

It has been another busy week within the Federation and the pupils are engaging positively with their learning and this term's topics. Another successful coffee morning was held at Burnsall this week. We are enjoying getting to know the families across the Federation and we are looking forward to strengthening those relationships as we move through the year.

Parent survey

A few more highlights to share from the parent survey. 100% of parents who responded said 'their children were happy and felt safe in school.'

Who are the designated leads for Safeguarding in your school?

All children and staff across the Federation know that if they are worried or need to speak to anyone that they can speak to any adult in school but each school has a designated lead for safeguarding and deputy safeguarding leads. These people have an overall responsibility for safeguarding in each setting. These are:

All safeguarding policies can be found on the Federation website or by contacting the school office.

Harvest Festivals

All four schools will be hosting their own harvest festivals this year and preparations are underway. We are looking forward to welcoming you all to these events and finding out more about the themes and charities each school choose to support.

Our value this half term is Love

Through discussions around our value this week, the children have shown real empathy when thinking about the Queen's funeral and the clear outpouring of love across the country and the world. Jo, our North Yorkshire youth worker has been into lead worship and explore the value of love further. Pupils have shared experiences of when they have made something with love for example one pupil shared that they had made spaghetti bolognese with love and Jo then compared these personal experiences with God creating the world with love.

House Points

Many apologies, this week the house points will be calculated and sent out on Monday. We will let you all know the winners!

Learning Heroes

This week's Learning power – **PEACE**

Class 1 Learning Hero this week is **Maddie**. Your classmates have noticed you being a peacemaker in the playground, keeping peace within our school. You are sensible and caring towards your friends, always acting in a peaceful manner.

Class 2 Learning Hero this week is **Bobbie**. The class voted for you because they believe you are a peace-loving person. Somebody said 'Bobby never pushes or shouts out'. Another friend said 'she never argues'.

Well done Maddie & Bobbie!
