'Be the Light' - Matthew 5:14

Our vision is to help each child flourish into a caring, confident and resilient young person who has a love of learning. We will do this through our shared Christian values of **Love, Kindness, Forgiveness, Thankfulness and Trust.**

Burnsall, Cracoe and Grassington are all Church of England Primary schools where there is a strong Christian ethos, which is present and underpins all aspects of school life.

Within our schools, we uphold and model these Christian values. We aim to live our Christian values, promoting a culture that reflects them in everything we do and leads to positive relationships for all.

We will uphold high aspirations for all our children, through our innovative and inspiring approach to teaching and learning.

'Be the Light' (Matthew 5:14) underpins our vision. This is centered around the principal aim that we want all our schools, all of our stakeholders to be the light – 'to be the best we can be'. We believe the light of Jesus is in all of us, and with a resolute focus on our strategic priorities that we collectively aim to achieve, we will shine even brighter. This light is both intrinsic to our school communities and outward facing to the communities in which we serve.

Our school values thread through our behaviour and help to reinforce positive actions

love 

We want children to learn that all our behaviours should reflect that:

- God loves each one of us and our school communities
- God's love is unconditional
- God's love is revealed to each one of us in the person of Jesus Christ
- God calls us to love all, including our enemies
- God's love inspires us to love our neighbours with compassion

"As the Father has loved me, so have I loved you. Now remain in my love. If you keep my commands, you will remain in my love, just as I have kept my Father's commands and remain in his love." John 15:9-10

"Above all, be loving. This ties everything together perfectly". Colossians 3:14

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3-16

Life constantly tests us. There are conflicts struggles and irritations with family, friends, and others. Sometimes it is really hard to be kind and do good to those around us. Kindness, the unfailing love of God, it is what seeks to teach us right from wrong, and what seeks to draw us to Jesus. Kindness is a characteristic of God, it reminds us that even if the world is not kind to us, God is always kind to us.

"Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you". Ephesians 4:32

"Little children, let us not love in word or talk but in deed and in truth" John 3:18

"But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil." Luke 3:65

We want children to understand that:

Jesus was uncompromising in his command to forgive, saying "Forgive seventy times seven (Matthew 18:21). In other words, forgive and keep on forgiving without limit. Forgiveness cannot be given or received unless it is asked for, and the asking, by saying "Sorry", must be genuine and from the heart. Real repentance demands that we take what we have done wrong with the utmost seriousness and have a deep desire not to do it again. Once we understand that, forgiveness can be truly liberating both for the person who is forgiven and for the person who forgives.

"Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you." Ephesians 4:32

"For if you forgive other people when they sin against you, your heavenly Father will also forgive you." Matthew 6:14

We want children to be thankful for all that life offers them, for gifts and talents, for friends and family, for all that they have and all that they are.

“Oh give thanks to the Lord for he is good, for his steadfast love endures forever”. Psalm 107:1

“And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him”. Colossians 3:17

“Make a joyful noise to the Lord, all the earth! Serve the Lord with gladness! Come into his presence with singing! Know that the Lord, he is God! It is he who made us, and we are his; we are his people, and the sheep of his pasture. Enter his gates with thanksgiving, and his courts with praise! Give thanks to him; bless his name! For the Lord is good; his steadfast love endures forever, and his faithfulness to all generations”. Psalm 100:1-5 ESV

We want children and adults to trust one another within our Federation community; believing in the strength and truth of one another and that of God. We want children to be able to trust all adults, to trust each other and to learn to trust their own judgement. We also want children and adults to feel valued and trusted members of the community.

“And those who know your name put their trust in you, for you, O LORD, have not forsaken those who seek you.” Psalm 9:10

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." Proverbs 3:5-6

Intent

Across the Upper Wharfedale Primary Federation, we understand that the answer to positive behaviour lies in the ability of adults to deliver behaviour practice that is simple, highly effective, and consistent. This consistency is a base on which to build authentic, exciting behaviour practice.

This policy is designed to support the way in which all members of the school can flourish and work together in a community where everyone feels happy, safe and secure. We believe that positive behaviours are an essential foundation for successful teaching and effective learning. A clear set out Behaviour Policy, which is understood and implemented by all those involved across the Federation, is crucial therefore to ensuring that our community functions as it must in-order-to achieve our aims. This policy should be read and applied in conjunction with all other relevant school policies, including the Safeguarding & Child Protection Policy.

Aims

- To create a culture of exceptional behaviour: for learning, for community, for life.
- To ensure that all learners are treated fairly, shown respect and to promote good relationships.
- To help learners take control over their behaviour, show self-discipline and be responsible for the consequences of it.
- To build a community which values kindness, care, good humour, good temper and empathy for others.
- To promote community cohesion through improved relationships.
- To ensure that excellent behaviour is a minimum expectation for all.

1. Introduction

At The Upper Wharfedale Federation our vision is 'Be the Light'. We are a Federation who pride ourselves on striving to meet the needs of each individual and we are committed to creating an environment where **exemplary** behaviour is at the heart of productive learning.

Our Federation is :

- a **Learning** environment filled with **Love** and encouragement;
- a team of **Inspiring** individuals who show **Kindness** and compassion;
- a community where everyone **Grows** through **Trust** and mutual respect;
- a place that fosters **Hope** and **Forgiveness**, building resilience;
- a centre of **Thankfulness**, where all celebrate success together.

We are all the light!

Our pupils are welcomed into a positive, aspirational and caring environment that allows all to achieve well and realise their full potential. In order to do this, the school adopts a behaviour system that is based on positivity, praise and respectful relationships, which are built and nurtured between teacher and pupil. It relies heavily upon the importance of PIP – Praising and rewarding in public and RIP – Reprimanding (where necessary) in private. **Its base is rooted in being kind and fair to children.**

Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil's behaviour, e.g. SEND and mental health needs.

The SLT and the headteacher will review staff training needs **annually**, and in response to any serious or persistent behaviour issues disrupting the running of the school.

3. Prevention strategies

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The Upper Wharfedale Federation way is based on relational practice, where the teacher-pupil relationship is seen as crucial to the effectiveness of school behaviour. The schools will focus heavily on forming positive relationships based on predictability, fairness and trust to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

Clear set of rules

All school staff are responsible for ensuring that the children understand and follow the school's rules.

Our Home-School Agreement gives a description of responsibilities for all members of the community (see Appendix A).

Our Federation Rules (Be the Light)
<p>1. Be Ready We need to show everyone that we are ready to learn or start the next part of our day. We can do this by:</p> <ul style="list-style-type: none">• showing active listening• following instructions• engaging in our learning with a growth mindset and a positive approach• Being brave and resilient; to learn from our 'marvellous mistakes' when trying new things• Trying our best to succeed and persevering when it gets tough
<p>2. Be Respectful Respect means being kind, treating everyone the same and looking after our things. We can show that we are being respectful by:</p> <ul style="list-style-type: none">• showing that we are ready to learn• showing good manners and using kind words e.g. saying please and thank you or holding the door open for somebody• addressing each other politely• looking after our school and the world around us• showing empathy by thinking about how others might be feeling
<p>3. Be Safe It is important to keep ourselves and others safe so that people don't get hurt or upset. We can help keep everyone safe by:</p> <ul style="list-style-type: none">• using 'wonderful walking' 'lovely lines' and 'calm corridors' when moving around school• keeping our hands and feet to ourselves• listening to the adults looking after us• wash hands regularly• play only in the places allowed• Use equipment properly

Consistency

- Consistent language, consistent response: simple and clear expectations reflected in all conversations about behaviour.
- Consistent follow up: never 'pass' problems up the line of management, teachers take responsibility for behaviour interventions. Teachers may seek support but never delegate. Remember: 'The standard you walk past is the standard you accept'.
- Consistent positive reinforcement: 'relentless routines' for reinforcing, encouraging and celebrating positive behaviour.
- Consistent consequences: defined, agreed and implemented at classroom level as well as established structures for more serious behaviour.
- Consistent, simple rules promoting positive behaviour.
- Consistent respect from adults: even when faced with disrespectful learners.
- Consistent models of emotional control: staff to model emotional restraint, not just teach it. Teachers are to be role models for learning; learning alongside pupils.
- Consistently reinforced routines for behaviour around the school site.
- Consistent environment: display consistent visual messages and positive images of learners.

Our Consistencies
<p>Meet and Greet</p> <ul style="list-style-type: none">• In the morning, children are to line up outside of the classroom while teachers and teaching assistants greet them into the classroom with a compliment or question to show kindness and a positive welcome.
<p>Lovely Lines</p> <ul style="list-style-type: none">• At any time of the day where the children are required to line up, they should stand one behind the other, facing forwards, quietly. Staff are to encourage and praise children for their 'lovely line' and use the term as a prompt.
<p>Wonderful Walking</p> <ul style="list-style-type: none">• Everyone in school is expected to walk calmly, slowly and quietly with their hands by their sides, to show a sense of pride in our school. Staff are to encourage and praise children for their 'wonderful walking'.
<p>Calm Corridors</p> <ul style="list-style-type: none">• When children are moving around school, staff are to use the term 'calm corridors' to remind children to be respectful to others who may be working nearby.
<p>5, 4, 3, 2, 1, Show Me That You're Ready</p> <ul style="list-style-type: none">• When staff want the children's attention, they are to count down from five while wiggling their fingers as the children copy or clap for call and response 'show me that you're ready'.

Positive Recognitions

'Be the Light' Board

- Each class to have a display board for recognising positive behaviour.
- When a child is seen demonstrating the school rules and our (Christian) values, their name goes on the board.
- All staff to encourage the behaviour enthusiastically.
- The aim is for all class members to have their names on the 'Be the Light' board by the end of the week. A team effort approach.

House Points

House points will be awarded to children daily for:

- displaying positive behaviour
- for learning and school values in the classroom and around the school.
- Points will be collated and accumulated weekly towards a termly goal e.g. a film afternoon, Easter egg hunt, the big day out.
- Each house will know their totals, but they are added together toward the school goal.

Headteacher Awards

Headteacher award stickers will be given to children in recognition of their success by the Executive Headteachers.

Shine Awards

Pupils in each class will receive a 'Shine Award' from their class teacher each week. These are given when a pupil demonstrates a school value or values consistently throughout the week.

Positive Feedback

Teachers / Executive Headteachers will endeavour to contact parents/carers on a regular basis to inform them when children have been going above and beyond with positive behaviours for learning and are having a successful week in school.

4. Managing behaviours

Instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

All staff will record all reported incidents on CPOMS to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL team, will be provided alongside the use of consequences to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following consequences will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable:

Stepped Boundaries

Unacceptable behaviour could range from low level classroom disruption to more serious incidents including bullying and racism. There are steps which staff should follow to address negative behaviour.

<p>The steps will always be delivered calmly by staff members. Children should be given 'take up time' (processing time) between each step to provide the chance for them to amend their behaviour.</p>
<p>1. The Reminder</p> <ul style="list-style-type: none">remind the learner about the school rules, 'Ready, Respectful, Safe' as a prompt to make the right choice.
<p>2. The Warning</p> <ul style="list-style-type: none">a clear, verbal caution delivered privately to the pupil making them aware of their behaviour and the consequences if they continue. Remind the pupil of positive behaviours they have displayed in the past to prove they can make good choices.
<p>3. Calming Time</p> <ul style="list-style-type: none">speak to the pupil away from others, reset the boundaries, ask the pupil to reflect on their next step, pupil is given the opportunity to make the correct choice. If the pupil makes a comment as staff walk away, the member of staff is to make a note of it and follow it up later.I noticed you chose to...You need to have thinking time.I will come and speak to you in two minutes. (If outside, stand next to a member of staff) <p>Example – 'I have noticed that you chose to use rude words. You are breaking the rule of being respectful. You have now chosen to have some thinking time. I will come and speak to you in two minutes. Thank you for listening.'</p>
<p>3a. Sanctions</p> <p>Depending on the situations, sanctions may be used for example</p> <ul style="list-style-type: none">Completing work they did not attempt (possibly with support)Tidying up areas that were not left as they should beWriting an apology letterTime out to reflect and decompress.
<p>4. Follow-Up</p> <ul style="list-style-type: none">If the first three steps reoccur on a regular basis, a restorative conversation must take place with the member of staff involved. Time should be given for the child to calm down and 'reset' before the conversation takes place.What happened?What were you feeling at the time? What have you felt since?How did this make people feel?What should we do to put things right? How can we do things differently next time?Using your professional judgement, a conversation with parents via phone call may be necessary after this step.Behaviour risk assessments to review triggers and avoid future incidentsPositive behaviour strategies and rewards to implemented if needed
<p>5. The Repair</p> <ul style="list-style-type: none">a meeting is scheduled with the pupil, class teacher and Headteacher to discuss the unacceptable behaviour and plan next steps. These will be recorded and monitored. Parents may be asked to join this meeting as a final step.

Restorative Practice

The Upper Whafedale Primary Federation uses Restorative Practice to promote good behaviour and resolve unacceptable behaviour in a fair and consistent way.

Every effort will be made to maintain safety and retain all children's access to learning. Efforts will be made to establish the truth of a situation and a 'cooling down' period may be advisable. Always agree parameters before a discussion especially where multiple children are involved to ensure the discussion stays calm:

- You will all get your chance to talk.
 - We agree not to interrupt another person talking even if they say something you disagree with because you will have your chance to talk.
 - We will work together to agree a solution/appropriate consequence.
- However, issues must be addressed appropriately and promptly. Decisions regarding consequences must be considered, reasonable and not made on impulse.

Use of reasonable force

The UWPF follows DfE guidelines (2011) regarding the use of reasonable force.

1. What is reasonable force?

The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with pupils.

Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury. 'Reasonable in the circumstances' means using no more force than is needed. As mentioned above, schools generally use force to control pupils and to restrain them. Control means either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of a classroom.

Restraint means to hold back physically or to bring a pupil under control. It is typically used in more extreme circumstances, for example when two pupils are fighting and refuse to separate without physical intervention. School staff should always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the pupil.

2. Who can use reasonable force?

All members of school staff have a legal power to use reasonable force.

(ii) This power applies to any member of staff at the school. It can also apply to people whom the head teacher has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying students on a school organised visit.

3. When can reasonable force be used?

Reasonable force can be used to prevent pupils from hurting themselves or others, from damaging property, or from causing disorder.

(ii) In a school, force is used for two main purposes to control pupils or to restrain them.

(iii) The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.

Behaviour Pathway

- Reminder Warning Calming Time
- Follow-Up (restorative conversation) Phone call home
- Repair
- Meeting with parents
- Suspension
- Exclusion

Extreme Behaviour

Any behaviour which falls into Tier 3 or 4 categories may trigger exclusion either temporary or permanent:

Where a pupil's misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the headteacher immediately or, in the headteacher's absence, the most senior member of staff.
- A member of SLT or the DSL team investigates the incident and decides whether it constitutes unacceptable behaviour.
- If the above deems the incident to be unacceptable behaviour, they will record the incident on CPOMS. The behaviour will also be recorded on the pupil's permanent record.
- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom – the headteacher will determine the period the pupil will be removed from the classroom, as well as any additional consequences.
- A member of SLT will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, and invite them to discuss the incident.

Following repeated incidents of unacceptable behaviour, the following sanctions will be implemented:

The headteacher will consider whether the pupil should be suspended, in line with the school's Suspension and Exclusion Policy, and will determine the length of the suspension.

- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behaviour Plan will be created to outline the necessary provisions in place.

Fixed-Term Suspensions & Permanent Exclusions

Only the Headteacher has the power to exclude a pupil from school. The Headteacher may exclude a pupil for one or more fixed periods, for up to 45 days in any one school year. The Headteacher may also exclude a pupil permanently. It is also possible for the Headteacher to convert a fixed-term suspension into a permanent exclusion, if the circumstances warrant this.

If the Executive Headteacher excludes a pupil, s/he informs the parents immediately, giving reasons for the exclusion. At the same time, the Executive Headteacher makes it clear to parents that they can, if they wish, appeal against the decision to the Governing Body. The school informs the parents how to make any such appeal. The Executive Headteacher informs the LEA and the Governing Body about any permanent exclusion and about any fixed-term exclusions beyond five days in any one term.

5. Sexual abuse and harassment

The school will prohibit all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling child-on-child sexual abuse and harassment are detailed in the Child-on-child Abuse Policy.

6. Mobile Phones

Only children in Year 6 (unless agreed with the Headteachers) will be allowed to bring a mobile phone into school if it is needed for walking to and from school only. This must then be handed in at the school office on arrival at school.

7. Prohibited items, searching pupils and confiscation

Headteachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item.

The law states that knives or weapons, alcohol, illegal drugs, tobacco products, pornographic images, fireworks, anything that has been, or is likely to be, used to cause injury or commit an offence, anything banned in the school rules (referred to in Section 550ZA of the Education Act 1996) are 'prohibited items' and can be confiscated.

Establishing Grounds for a Search

Teachers can only undertake a search without consent if they have reasonable grounds for suspecting that a pupil may have in his or her possession a prohibited item. The teacher must decide in each particular case what constitutes reasonable grounds for suspicion. For example, they may have heard other pupils talking about the item or they might notice a pupil behaving in a way that causes them to be suspicious.

The powers allow school staff to search regardless of whether the pupil is found after the search to have that item. This includes circumstances where staff suspect a pupil of having items such as illegal drugs or stolen property which are later found not to be illegal or stolen.

9. Children with SEND

In the case of children who have been identified as having special educational needs the school, acting in partnership with parents where necessary, will draw up an individual action/behaviour plan. The plan will be designed to facilitate improvements in the child's behaviour over a specified period of time.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their misbehaviour, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduated approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these (an ABC chart is used to track behaviours and identify patterns), taking into account the specific circumstances and requirements of the pupil concerned.

While this may involve a more sensitive interpretation of this policy during the duration of the action plan, unacceptable behaviour will not be allowed to remain unacknowledged and will be dealt with in accordance with the policy where appropriate.

Additional strategies will be used by staff such as Social Stories, Now and Next boards and countdown timers to support children with SEND in feeling safe, calm and included in school life.

Strategies to help promote good behaviour

Please note: we would not expect to see all these strategies happening all the time, in all classrooms!

- Always meet, greet and correct at the door as pupils enter/ leave: brings positivity early, as well as the first chance to stamp out untidy uniform, chewing etc: “Excellent uniform Corrina”; Great to see you today Jack”; “Good start Liam”;
- Ignore bad behaviour and focus on good behaviour: “Thank you Laura for being ready to listen”; “Thank you Tanya for looking this way”; “Thank you Martyn for your maturity” etc.
- Exude confidence! How can we impart confidence and self-esteem in our pupils if we are severely lacking it ourselves? Always project a calm and assertive persona. Eye contact, clear voice, walk around the whole class and smile!
- Use non-confrontational techniques:
“Is everything alright there Helen?” for unfocused pupils.
“How can I help you Amy?” for pupils off task.
- Stand near to a disruptive pupil while still allowing them their personal space
- Make extra-ordinary out of the ordinary – use a lot of praise for small events
- Look beyond the behaviour and view it as communication; there will always be an underlying reason. Appropriate ways of communication can be taught, but it takes time – be patient
- Pupils need praise like plants need water – unruly classes can be tamed by praise – PIP and RIP (Praise in Public, Reprimand in Private)
- Utilise and develop non-verbal skills e.g. tuck shirt in, feet off chairs, looking this way etc. Thumbs up for good. - Why?: keeps calm environment and doesn't disrupt the pace of lesson; boosts pupils' self-esteem; pupils can't answer back to a non-verbal cue
- Routine is crucial – hand in the air or other agreed signal which all understand to get attention, with a thumbs up from other hand to pupils that respond
- Pupils never forget a good member of staff
- Knowing their motives allows you to solve behaviour problems e.g. are they bored due to uninspired and disengaging lessons?
- Connect with pupils: make everything relevant by using football/ films/ music etc. to apply understanding in new contexts to which the pupils can easily relate
- Have high expectations of all pupils e.g. “I expect all pupils in this room to make good progress”.
- Use a good sense of humour: again a great way to engage with pupils e.g. “as Jessie J once told me, if you don't have anything positive to say, then say nothing at all”
- Smile! Generates warmth and a positive learning environment
- Use seating plans – break up cliques and friendship groups.
- Going out into the playground at the end of the day to a parent for praise is worth far more than a 1,000 negative calls. A 1 minute phone call praising a pupil to their parent can have far more impact than many

hours of detentions

- Keep low level disruption low level e.g. quietly go round and whisper in their ear to focus on task, to listen etc. This will increase self esteem

4 good strategies to combat a disruptive pupil:

- Say their name - Eye contact – Pause - Body language - Action e.g. “look this way” - “Thank you” - Move on
- Ask “What should you be doing now?” – refocuses their brain
- Power of choice e.g. “If you choose to disrupt the lesson for a 3rd time... it’s your choice”
- Diversion – agree and refocus e.g. Pupil: “Miss I’m rubbish at maths”, Teacher: “Maybe you do struggle with fractions but this task will help you to understand”

Emphasise TEAM – Together Everyone Achieves More

- Always be on the lookout for good ideas, techniques and strategies from good practice. Observe others when you can. Video yourself
- Always be alert and be careful of positioning – you should always know what each pupil is doing e.g. never turn your back to focus on one pupil etc.
